**Notes:**

When making a special trip to the campus to use the lab, please call or email in advance to confirm that we will be open. Hours of access are subject to availability of Lab Tech or Lab Tutor.

No lab use is permitted without the presence of the Lab Tech, Lab Tutor, or a professor. Do not ask to be let into the lab if there is no one on duty.

The lab is for Lehman College EeGS Department students only. You must have a valid CUNY ID card and sign in to use the lab. No outside lab use during midterms or final exams.

**All food, drink, and cell phone use is strictly prohibited in the GIS lab at all times. All printing must be pre-approved by instructor or lab manager.**
